

SPECTRUM HEALTH LABORATORY LOCATIONS PROVIDER LIST FOR COLLECTING COVID-19 SPECIMENS

For the most up-to-date information, please visit spectrumhealth.org/covid19

Updated November 12, 2020:

- All COVID-19 test requests must be scheduled. We **cannot** accommodate Walk-Ins at this time.
- We can no longer test asymptomatic patients.

There are 3 ways to be scheduled for COVID-19 testing:

1. Patients may use the virtual screening and test self-scheduling via MyChart:
mychart.spectrumhealth.org
2. A physician may screen the patient and order a COVID-19 test.
 - After the order is placed, patients may schedule a test by calling the COVID-19 Hotline: 833.559.0659 or 616.391.2380. Pick the appropriate language option, then choose option 3.
3. Patients may be screened and scheduled for a test by calling the COVID-19 Hotline 833.559.0659 or 616.391.2380.
 - Pick the appropriate language option, then choose option 1.
